Dear Tony,

It was indeed my pleasure to preside over the Intelligence Community Award Ceremony at which you and the other deserving recipients were accorded the tribute your distinguished service has earned. Like you, I am delighted that your wife, Jean, was able to participate. I think it is very important for families to share in an individual's honor when, as in Jean's case, they make significant contributions to and sacrifices for his career.

All the good things I hear about FTD make me want to snap up your kind invitation to visit. You can be sure I will make every effort to arrange a trip to see firsthand the fine work you and your colleagues are doing. At that time, I will look forward to seeing you and Jean again, but for now let me thank you for your letter and assure you that I will pass on your compliments to those on my staff who arranged the day.

Yours,
